U.S. Patent and Trademark Office PTOL-37 (Rev. 08-06)

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark Millet on May 11, 2007.

The application has been amended as follows:

Cancel Claims 1-28, 33-40, and 42.

REASONS FOR ALLOWANCE

- 2. Claims 29-32, 41, and 43-44 are allowed over the prior art of record.
- 3. The following is an examiner's statement of reasons for allowance:

Regarding Claim 29, the invention as claimed, specifically in combination with a reflector having a proximal surface and electrically conductive features, and a microelectronic element mounted to the reflector, with the emitted arranged to direct radiation through said analyte space to said reflector so that said radiation will be reflected by said reflector back through said analyte space to said detector, the microelectronic element being electrically connected to the electrically conductive features of the reflector, is not disclosed or made obvious by the prior art of record.

Art Unit: 2878

Regarding Claim 41, the invention as claimed, specifically in combination with a semiconductor chip with an emitter and a detector, with a reflector fixed to the chip forward of the emitter and detector so that radiant energy emitted by the emitter will be reflected to the detector, with a an analyte space disposed between the chip and the reflector whereby radiant energy passing to and from said reflector will pass through an analyte in said space, is not disclosed or made obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Yam whose telephone number is (571)272-2449. The examiner can normally be reached on Monday-Friday 8:30am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Georgia Epps can be reached on (571)272-2328. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Application/Control Number: 10/711,945

Art Unit: 2878

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
